American Public Health Association 139th Annual Conference Healthy Communities Promote Healthy Minds and Bodies

Session 4232.0 Understanding Predictors of Physical Activity in Children and Adults

Maintaining Physical Activity Over Time: The Importance of Basic Psychological Need Fulfillment

Judy B Springer, PhD Milwaukee Area Technical College (current) University of Wisconsin – Milwaukee (at the time the research was conducted)

Susie D Lamborn, PhD University of Wisconsin – Milwaukee

Diane M Pollard, PhD, Professor Emeritus University of Wisconsin – Milwaukee

For questions or additional information please contact
