

Academic Health Department Learning Community Profile Form

The Academic Health Department (AHD) Learning Community supports collaborative learning about AHDs. Creating a Learning Community profile allows you to introduce yourself to other community members and begin sharing your AHD-related experiences. Your answers to the following questions will help us develop your profile.

1. Name and Affiliation (please provide this information as it should appear in your profile):

Name: _____

Degree(s)/Certification(s): _____

Organization(s): _____

Title(s): _____

2. Contact Information:

Street Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email: _____

3. Does your organization participate in any AHD partnerships?

Yes

No

Unsure

4. If you answered YES to question 3, please list the names of the organizations involved and the years the partnership(s) were formed, if known.

5. Does your organization have AHD relationships characterized by (select all that apply):

Formal written partnership agreements

Shared personnel

Collaborative public health education/training

Shared resources

Joint research projects

Compensation for services provided

Shared provision of public health services

Other: _____

OVER →

6. How many years have you worked in public health? _____

7. Are you or have you been involved in the development of an AHD?

- Yes
- No
- Unsure

8. Are you willing to have this information made publicly available through the Council on Linkages Between Academia and Public Health Practice website?

- Yes
- No

Completed profile forms may be sent to Council on Linkages Project Manager Kathleen Amos by email at kamos@phf.org or fax at 202-218-4409.
