Every week, **10 Missourians** die because they are uninsured.

-Families USA
Supreme Court decision

- Affordable Care Act is constitutional
- Health Reform moves forward
What’s happened already?

New coverage, better coverage, more accountability
• Children with pre-existing conditions can’t be denied

• Adults with pre-existing conditions can now get insurance through a Pre-Existing Condition Insurance Plan
  – 1,367 Missourians

• Young adults up to age 26 can be on parents’ health insurance
  – 3.1 million in US; 55,000 in MO
...Better coverage

• Preventive care covered at no cost

• No dropping coverage if you get sick

• No more lifetime caps
...Holding insurance companies accountable

- Health insurance companies have to spend 80-85% of premiums on medical care (or refund consumers)
  - In 2012, 600,000 Missourians received refunds averaging $173.

- New oversight of premium hikes
...Support for small businesses to offer health insurance

- Tax credit for small employers with up to 25 employees & wages averaging less than $50,000
...Improving Medicare

• Better prescription drug coverage
• Free preventive care
• Enhanced payments for primary care physicians and general surgeons
What’s coming January 1, 2014?

Quality and affordable health insurance for all
2014...Health insurance for all

• No denials for “pre-existing conditions”

• No price discrimination based
  – Health status
  – Gender
  – Occupation
2014...Better health insurance

Plans must cover “Essential services:”

– Preventive care
– Hospitals
– Prescription drugs
– Maternity care
– Mental health & substance abuse
– And more
...Reality check on insurance costs

Health Insurance Exchanges

• “One stop shopping”
• Easier comparison shopping
• Reduces marketing costs

• For individuals & families who don’t have affordable employer sponsored insurance
• small businesses too
Health Insurance Exchanges...
2 New Options

Help for the middle: Sliding scale premiums
- $19,000 - 77,000 for a family of three
- $11,000 – 45,000 for an individual

Help for lower income workers: Medicaid
- Up to $26,000 for a family of three
- Up to $15,000 for an individual
I’m 25 years old & I am covered under my parents health insurance until I turn 26. What can I do to get health insurance when I turn 26?

- Employer Sponsored Insurance
- New Exchange Options
  - Medicaid plans
  - Plans with sliding premiums
  - Plans with new protections
Medicaid and the States

Missouri has a choice...
The Medicaid Expansion

• Will cover all working people
  – Currently, only adults who can get are
    • Parents
    • People with disabilities who cannot work

• Will raise very low income limits
  – Parents in family of 3 can’t earn more than $6,873/yr
  – Individuals with disabilities are limited to $9,000/yr

Source: Kaiser Family Foundation, “Health Reform Subsidy Calculator,” available at http://healthreform.kff.org/subsidycalculator.aspx?source=QL. For Jan’s scenario, the calculator assumes she will be covered by Medicaid, so the author calculated Jan’s premiums as a 55-year-old worker making just above the Medicaid eligibility limit.
Without Medicaid: Who’s left out?

- Beth, Jan…
- Adults who do not have dependent children
- Parents who earn more than $6,873 a year (family of 3)
Medicaid is a good choice for states...

It’s up to us to implement it in Missouri.
Affordable Care Act
To sum it up...

• What’s already happened...
  – Coverage for kids, young adults, and seniors
  – Help for small businesses
  – Holding insurance companies accountable

• What’s coming...
  – Making health insurance accessible & affordable
  – For all? Medicaid Expansion
