

STAY CONNECTED TO YOUR NETWORK WHEN YOU ARE HAVING THOUGHTS OF SUICIDE.

CREATE YOUR SUPPORT SYSTEM: Simply add the contact information for people who know and care about you and can help you when your experiencing thoughts of suicide. These contacts can include your friends, family, professional caregivers and a local crisis hotline. Always tell your contacts that you have included them on MY3 and that you may contact them if you ever start having thoughts of suicide. In any situation, the National Suicide Prevention Lifeline **(1.800.273.TALK [8255])** and **911** are there to help you. These numbers come pre-loaded on MY3.

The National Suicide Prevention Lifeline is free, and connects you to your nearest crisis center staffed by trained crisis counselors. It is available any time, day or night, every single day.

BUILD YOUR SAFETY PLAN: Customize your safety plan by identifying your warning signs, coping strategies, distractions and personal networks so you can help yourself stay safe. Need help creating your safety plan? Talk to your mental health care provider. Also, you can always call the National Suicide Prevention Lifeline **(1.800.273.TALK [8255])** and a trained crisis counselor can help you set up your safety plan.

ACCESS IMPORTANT RESOURCES: Personalize MY3 by adding other suicide prevention resources and websites that help you feel better and stay safe. A number of different resources are listed in MY3.
